## We need your help!

The old scoreboard hanging above the ice arena at the St. Mary's Athletic Complex (SMAC) has seen a quite a bit in its day. Since its installation 14 years ago, countless people have kept vigilant watch of its flickering numbers while OLSM hockey teams skate to victory below, year after year. But now, its time to upgrade.

We need your help. The new scoreboard we have in mind will be a state-of-the-art model, just like those used in many NHL arenas. Mounted at center ice with a 360-degree view of a brighter display, there will be no doubt that we're serious about providing the best service to our students and fans.

Please consider making a donation of \$1,000 to help give our ice arena this important upgrade. In appreciation of your generosity, it'll be our pleasure to have a plaque made in your honor, like the one pictured here. It will hang in the lobby of the ice arena for all to recognize your dedication to OLS.
